

Vessel Name: **MV Moana 3**

Moana 3 was designed and hand built by Master Boat Builder Mr. Dick Ward and his team at Cairns Boat Builders. **Moana 3** is the culmination of over 40 years of Dick's boat building expertise. She has been fully custom built to the owners' and skippers' specifications, including Queensland 2B survey which allows for operations out to 200nm from the coast.

At 47' of sheer game fishing machine **Moana 3** certainly is the flagship of the Cairns-based charter fleet. Constructed from Epoxy resin with a high density foam core, she has superior strength and light weight.

Moana 3 has been fully purpose built for Extended Fishing Expeditions specialising in:

- Heavy tackle black marlin fishing,
- Remote fishing adventures, and
- Offshore reefs in the Coral Sea.

If there is a place in northern Australia you've always dreamed of fishing, **Moana 3** is certainly the charter for you.

Features:

- Fully Air-conditioned
- Private stateroom with ensuite
- Beautiful modern fitout
- 2 showers
- 2 heads
- TV, DVD and CD Stereo
- Water maker
- 240V power
- Convection microwave oven
- Lots of refrigeration and freezer space
- Brine tank
- 9ft ridged hull inflatable tender

Engineering:

The engineering fitout is nothing short of fantastic thanks to the brilliance of Mr. Brian Felton:

- Cruise speed 25kts, max speed 35 kts
- Powered by twin Cummins QSM-11's @ 580hp each
- Twin Disc 5114A Quick shift gear boxes and ES300 controls
- 13.5kva Isuzu / Zenth Genset
- Desalinator

Electronics:

- Furuno 1100L Depth Sounder / Fish finder with twin 2kw transducers (50 and 200kHz)
- Raymarine C120 Chart Plotter with 4kW 72nm radar
- Wesmar 110kHz 360' Sonar
- ICOM HF and VHF radios
