

**Vessel Name:** *M V Norseman*

### Description

Walk onboard *M. V. Norseman*, one of the North's best known Port Douglas operators for that reef fishing trip to remember.

She has two air-conditioned cabins, expansive rear deck, lower sport fishing platform, upper deck seating including sun lounges, shade canopy for tropical sun protection and full galley and toilet and shower facilities. The latest state-of-the-art navigation, 3D bottom imaging, radar and sounder equipment are also fitted.

Your day includes the use of rods or handlines, bait, tackle, smorgasbord lunch, morning and afternoon tea is also provided. Drinks, including beer, wine, sparkling wine, bottled water and soft drinks are available for purchase aboard the vessel. BYO is by prior arrangement only.

Souvenirs including T-shirts, hats, drink coolers available for purchase on board. CDs, CD slideshows and DVDs of the days fishing are also available as are personalised photos of you and your catch.

We fish a wide range of reef destinations situated close off the Tropical North coast. Enjoy the many prime eating fish to come from the Great Barrier Reef, which can include Coral Trout, Red Emperor, Sea Perch and Mackerel to name just a few. Your catch is cleaned and chilled and airline approved freezer safe boxes are available for those wishing to take their catch home.

Our experienced crew can customize a charter to suit you. Fishing techniques include bottom fishing, live bait fishing, popper fishing and trolling. These styles produce a wide variety of fish and can be incorporated into a charter to suit you. We cater for the most experienced angler to the beginner.

Norseman also offers snorkelling as an option for charters.
